To All the Staff at Dove Tree

A big thank-you to everyone for all your help & care looking after our mum Jennie. We've all been reassured & delighted on our visits on how kind & helpful all the staff are; & how obviously happy & looked after mum is. She's loved the activities, especially the dancing, & as I'm sure you've noticed loves the food.

Although mum's wish is to return home, as her stay extended she has repeatedly told us how much she's enjoyed living with you, & we would ~~be~~ certainly recommend you to anyone.

Thank-you from the whole family,
but especially Gordon
